

Strengthening Parental Relationships - Launch Feedback

“Excellent project - I always am grateful for projects aiming at preventative work for families and supporting families at the earliest point we can.”

“It is reassuring to see the work going into supporting positive relationships alongside support for children.”

“Well organised, delivered and I felt empowered to deliver this resource.”

“This was EXCELLENT! Such a key part of our role. Super resources and signposting to things that are easy to use. Very impressed. thank you.”

“Very good training. Lots of advice and support for families to access.”

“Really interesting content and clearly a much needed resource that will make a positive impact on the lives of families and children in Hampshire, thank you.”

“Wide variety of speakers and evidenced based information.”

“Really useful and very informative. Much prefer Strengthening Parental Relationships to reducing parental conflict, it is much more positive.”

“Great use of Hampshire approach and pulling on the positives.”

“Very good, really enjoyed this introduction. Thank you very much!”
