

FRIDAY

HAMPSHIRE & ISLE OF WIGHT

Safeguarding Children Week

9-13 OCTOBER 2023

On Day 5 of Safeguarding Children Week 2023, Hampshire and Isle of Wight Safeguarding Children Partnerships present safeguarding resources that can be used to support parents and carers.

SUPPORTING PARENTS AND CARERS

Parenting can be the most rewarding thing in the world, but sometimes families can need help. Providing families with helpful guidance and support early on, as problems emerge, is key. As a practitioner, you have the opportunity to play a key role in helping families with the most common parenting challenges and getting further help when needed.

Resources are available for parents and carers in the following areas. These can be used with parents or to signpost to parents so they can access directly.

- Safeguarding infants
- Safeguarding adolescents
- Supporting families
- Organisations that can help
