Safeguarding Children Week

9-13 OCTOBER 2023

On Day 1 of Safeguarding Children Week 2023, Hampshire and Isle of Wight Safeguarding Children Partnerships are delighted to release two new toolkits for people who work with children.

SUPPORTING COMMUNITY & VOLUNTARY ORGANISATIONS

Community and voluntary organisations play a huge role in supporting children and their families locally and nationally. To support these organisations in their safeguarding responsibilities we have developed a Community and Voluntary Organisations Toolkit.
