Safeguarding Children Week

9-13 OCTOBER 2023

On Day 4 of Safeguarding Children Week 2023, Hampshire and Isle of Wight Safeguarding Children Partnerships are delighted to release their new toolkit on Safeguarding Infants.

SAFEGUARDING UNBORN BABIES AND INFANTS

The new Safeguarding Infants Toolkit supports professionals working with new and expectant parents. It provides information on different programmes of work that are in place to support our most vulnerable group of children.

The toolkit incorporates:

1. Unborn/New Born Baby Protocol
2. Injuries in non-mobile infants
3. Every Sleep Counts (ensuring every sleep is a safe sleep)
4. ICON (coping with crying / abusive head trauma prevention programme)
