HAMPSHIRE & ISLE OF WIGHT

Safeguarding Children Week

9-13 OCTOBER 2023

On Day 3 of Safeguarding Children Week 2023, Hampshire and Isle of Wight Safeguarding Children Partnerships are pleased to showcase their multi-agency training offers for professionals working with children and families.

TRAINING TOGETHER

We develop responsive and customised multi-agency training opportunities, including webinars and eLearning, that are based on local and national themes from local child safeguarding practice reviews, audits, national legislation, research and findings.

LEARNING TOGETHER. SAFEGUARDING TOGETHER

Our fully funded training provides a unique opportunity to come together with other practitioners to develop knowledge and skills on a broad range of safeguarding themes.

Make time to commit to your own learning and development.

Training as a multi-agency safeguarding workforce supports positive relationships and understanding.
