

## Child Exploitation Launch Feedback

---

“I will be sharing the toolkit with teams across the Trust and will use the case studies to aid learning. The strategy has made the aims for our young people clear and has made my role more evident.”

---

“Always great to be inspired by speakers who have clearly been there and done it, rather than having to read from a script..”

---

“Reinforced my knowledge of the vulnerability of exploitation of young people. Heightened awareness as a DSL.”

---

“[I will be] using the toolkit to its fullest advantage having had the context and the insight into the different areas and what can be found where.”

---

“Lots of speakers with specialisms really held the audience well. Change of voice at every change of subject was really engaging.”

---

“Really useful and reassuring to see effective partnership working in action.”

---

“I will share the information within the safeguarding team and then the wider school community so that we can support our pupils more effectively. ”

---

“Thank you for taking the time to showcase the toolkit and highlight the underpinning strategies - it is so helpful this way rather than just announcing new resources.”
